Statement to demonstrate the Forum meets the conditions of the 1990 Act as applied by Section 38A of the 2004 Act

The Kennington, Oval and Vauxhall Neighbourhood Forum was established many years ago to bring together local residents and local businesses to promote the interests of the area and was designated by the local authority, (the Council of the London Borough of Lambeth) in July 2015.

Membership is open to all who live or work in the area or are local elected officials.

In 2020, there are currently more than 750 members, all of whom live or work in the neighbourhood, plus a Ward Councillor. The clear commitment to diversity and inclusivity is reflected in the constitution of the Forum and in its practice. Members are drawn from across the area, the socio-economic spectrum, and the range of ethnicities, ages, faith groups etc, in this particularly diverse area of inner London.

The membership includes more than 21 individuals. The tests are met with members in all categories, including ward councillor and representatives of local businesses. A postcode analysis of members providing full postcodes shows a wide distribution of membership across the KOV Forum, designated area.

Representativeness and inclusiveness can be demonstrated in outreach activities and the range of meetings, consultations and engagement events held and the publicity material distributed across the area, ensuring a focus on the social housing within the Forum area.

Kennington, Oval and Vauxhall Neighbourhood Forum has a website. <http://forumkov.wix.com/kov-forum>. Meetings and other events are promoted widely. On several occasions stalls at the Oval Farmers' Market have been used to engage local residents in the work of the Forum, specifically in the emerging Neighbourhood Plan. Meetings have been held every 6 to 8 weeks on thematic and pertinent issues of the day for the local area

including planning issues with presentations from developers on forthcoming proposals. To ensure that the Forum is representative of the demographic mix of the area and inclusive of all there has been a Kennington, Oval and Vauxhall Neighbourhood Forum presence at Pride Picnic, Vauxhall Trust Festival, St George's Festival, Vauxhall Park Summer Fair, events at Pedlar's Acre, Wyvil Estate and Vauxhall Gardens Estate, plus presentations and consultations at local churches, for example, St Marks' and St Anne's as listed in the Consultation Statement. Meetings have been held in the Carmelita Centre, the Wheatsheaf Hall, the Foundry and Kennington Park Estate Community Centre. Some meetings have had in excess of 100 people present to discuss local issues.

Kennington, Oval and Vauxhall Neighbourhood Forum, as described above, reflects in its practice and constitution, its commitment to diversity and inclusion, Membership from across the socio economic spectrum is encouraged and the list of some 750 members demonstrates the diversity with individuals drawn from the full range of residential types represented in the KOV area. As described above, information and consultation leaflets were delivered to individual households in the social housing estates in the area, as well as street properties including the many multi-occupied dwellings which are a feature of this densely populated, inner city area.

The KOV Forum Planning Group, which worked on the development of the Neighbourhood Plan, featured members with relevant professional experience, and was guided by opinions gathered from surveys of local people and businesses and discussions at public meetings.

KOV was established as a forum primarily to encourage local participation in consultation and engagement with issues affecting the area. As part of this work, KOV is involved in commenting on local development in an area subject to heavy development pressures, ever increasing population density and increasing demands on local infrastructure.. Invitations to join and a welcome to new members are discussed and publicised in public meetings, and at consultation events across the KOV area to maintain the openness, accountability, objectivity and inclusiveness of the Forum, promoting social cohesion and offering encouragement to everyone with an interest in the KOV area and a welcome for all in this dynamic and diverse area of a typically culturally diverse metropolitan city.

The Forum wishes to play its part in making and keeping the Kennington, Oval and Vauxhall area a good place to live, work and visit, and has developed a Neighbourhood Plan to this end
