

LONDON BOROUGH OF LAMBETH

PROPOSALS TO PROVIDE AND REMOVE DISABLED PERSONS' PARKING PLACES IN VARIOUS ROADS

[Note: This notice is about the removal of certain disabled persons' parking places where they are no longer required and the introduction of new disabled persons' parking places where they are needed. In controlled parking zones, this would involve (a) the introduction of new parking space where the disabled persons' parking places are removed; and (b) the removal of existing parking space to accommodate the new disabled persons' parking places. Objections or other comments may be made, see paragraph 6.]

- (2) to introduce new disabled persons' parking places at the locations specified in Schedule 2 to this Notice (these parking places would operate at any time and be for the use of vehicles displaying a disabled person's "blue badge" only);
- (3) where the locations are in a controlled parking zone, to extend any parking space adjacent to the locations specified in Schedule 1 to this Notice so as to replace the disabled persons' parking places that would be removed, and to remove any existing parking space at the locations specified in Schedule 2 to this Notice so as to accommodate the new disabled persons' parking places.

(Note: In some cases, the disabled persons' parking places may already have been removed or provided informally.
