

RUSH

(Soprano / Tenor)

Verse 1

Setting sail a journey of uncertainty
Where we go? An exodus in infancy
I never know what to expect
Can't wait another day, can't anticipate

[I arrive for opportunities to tantalise]
Looked surprised, a paradise removed from paradise
What will I find? What will I see?
Can't wait another single day to make my history

Here I am the city is a place for me
Why don't they share my philosophy?
I never know, what to expect
Can't wait another day, can't anticipate

All the things I never knew
Dreams I heard that they were true
Really lovely meeting you, Mister Bousquet

Verse 2

"No!" [rooms to rent]
"No!" [not here today]
"No, No!" [nothin' here at all, not here anyway"]
Ah, "no work at all!"
"I'll send you on your way, come back another day"

Eyes on me, when I talk,
Where I walk, children see me
"Good day my dears, my good friends"
But they turned their heads away, was my salutation not enough?

So here I am, and I'm standing defiantly
Not the first not the last you'll see of me
I'm still here and livin' my destiny
Here I am!

Verse 3

Handed down our music is our colour
Passed along, by generations one by one
Paving the way, one to another
My ambition burning every day like a fire!
Clapping: 1 2 3 | 1 +2 3 | 1 2 3 | 1 +2 3 | 1 2 3 | 1 +2 3 | 1 2 3 | 1 +2+3+ | 1

Marching, we're stronger when we're unified
Stand with me,, come see now I'm filled with pride

In each and every way
Getting stronger every day
I'm stronger every day

"Rush" Composed by Des Oliver

Commissioned by Pegasus Opera Company to commemorate Windrush Day, with funding from the
Department of Communities

RUSH
(Soprano / Tenor)

And I think about them as I run to my future

Clapping: 1 2 3 | 1 2 3 | 1 2 3 | 1 2 3 | 1 2 3

Bring me power, send me the strength
Help me to be like those women and children again

All the things I ever knew
Everything I want to do
Are the things I owe to you

We came here from far away
We came here, here to stay
Here to stay
Here we stand, here I am.
