Admissions Test Information

Platanos College shares Admissions Test arrangements with the schools below. All nine schools hold the same Admissions Test. We aim, in this way, to limit the number of tests children are required to sit.

If you are applying to any of the following schools, your child will only need to sit the test once. Please indicate the school at which you would like your child to sit the test (tick one box only).

Dunraven

Lambeth Academy

Lilian Baylis

Platanos College

Norwood School

Your child **must only sit the test once, at one school only**. Please tick **only one** box indicating where you would like your child to sit the test. Please note you **must** contact that school directly to make arrangements to sit the Admissions Test at that school. If you fail to submit an application direct to the school at which you wish to sit the test, your child may miss the Admissions Test day. Once the test results are known the admissions departments collaborate in sharing the test scores with each of the schools for admissions purposes.

Your child must only sit the test once, at one school only. The application of any child who sits more than one test at different schools will be deemed invalid by those schools.

To apply for a place, please also remember to complete and submit the CAF to your home borough and returned by their deadline.

Declaration

I understand that any false or deliberately misleading information provided in this application may make this application invalid or lead to any offer of a place being withdrawn.
