

# Proposed Controlled Parking Zone (CPZ) Gipsy Hill Area

Dear Resident/Business

The purpose of this leaflet is to let you know the outcome of the Stage 1 Consultation carried out between 27 September & 24 October 2021 on proposals to introduce a controlled parking zone (CPZ) in your area.

The results of the consultation along with your views and officers' recommendations were presented to the Cabinet Members before making the final decision. Due to the results of consultation the Council has decided to not proceed with a statutory consultation on the proposed measures.

The consultation resulted in a total of 541 replies out of the 2886 properties consulted, representing a response rate of 18.7%. The following is a summary of those responses.

- Overall, a majority of 71.8% of all respondents felt that they **did not** have a parking problem in their road, as opposed to 19.2% who felt that they do.
- A majority of 80% **did not** support a CPZ, compared with 14% who do.

Please see overleaf for a visual representation of the consultation results. For a detailed breakdown of the consultation results on a road-by-road basis, please visit our website at [lambeth.gov.uk/ghcpz](https://lambeth.gov.uk/ghcpz).

Finally, we would like to thank everyone for their participation and feedback during the consultation process. We may reconsult the area in future if residents demand for parking controls increases.

## GIPSY HILL WARD COUNCILLORS

Cllr Matthew Bennett
