

Job Description

London Borough of Lambeth

Job Title:	Public Health and Commissioning Manager – Early Years and Parenting
Grade:	PO6
Department:	Children's Services
Division:	Commissioning and Community Safety
Responsible for:	NA
Responsible to:	Commissioning Lead – Early Years and Parenting

Job Purpose

This post sits within the Early Years and Parenting Team but with close links to the Lambeth public health team, helping to promote and achieve improved outcomes and provide babies and young children with the Best Start in Life. A proven ability to support continual service improvement across Children's Services, as well as manage the commissioning of respective early years public health services will be vital in this role.

The post holder will be expected to undertake needs analysis and other evidence collection in order to develop, implement and review children's services-related commissioning strategies in order to improve outcomes for and reduce inequalities in babies and young children. The post holder will work in an integrated partnership with key stakeholders, colleagues and the community, in a politically sensitive environment, to co-design and co-produce outcome based commissioning.

The post holder will support all phases of the development and commissioning cycle for children's services, creatively drawing on a wide range of resources and assets across the partnership, organisation and community to ensure that both the council and the CCG's strategic priorities as set out in the Children and Young People's Plan are delivered .

The post holder will be expected to apply public health approaches and techniques as well as cooperative and co-productive commissioning techniques, and whole system change to ensure outcomes are achieved in collaboration with Lambeth's diverse communities.

The postholder will ensure that strategies and programmes are based on population need, evidence of effectiveness and recognised good practice

This will require wide ranging knowledge and experience of cooperative commissioning, co-design, co-production with high level of skill in community engagement, partnership working, stakeholder management and understanding of working in a political environment. The role will require proven ability to undertake research and critical analysis of data and information, options design and appraisal, as well as service improvement, monitoring and evaluation.

The post will work across both public health and children's commissioning teams, with support and guidance from both teams.

Role specific

- To work in partnership with the wider commissioning team, the public health team, as well as delivery partners, primarily key health provider partners
- Take an active role in engaging Lambeth's diverse communities as part of service development and improvement, ensuring services meet local needs

- To establish robust and rigorous performance management framework for commissioned providers as part of drive for continual service improvement
- Lead on recommissioning of key projects and services pertaining to service area, including the development and implementation of a revised service specification for public health nursing services. This should include identifying any gaps in current service provision and opportunities for innovation and integration with other early years service provision.
- To use evidence and data to undertake service redesign and strategic and operational commissioning of children's services, and projects to deliver agreed outcomes within budget
- To lead and implement the commissioning of children's services, in line with the Children and Young People's Plan commitments and priorities
- To identify funding opportunities and support the Council to successfully increase inward investment through supporting Lambeth Made initiatives, and by any other relevant means to support delivery of services and outcome improvements for children and young people

Key Accountabilities

1. Developing public health and commissioning strategies and plans to deliver the councils strategic outcomes and requirements for children's services provision
2. Delivering multiple packages of commissioning activity with high degrees of complexity, including long term projects and time limited specific work packages within the commissioning cycle, which are focused on improving the health of young children, reducing inequalities and delivering the Council's and partnership's required outcomes
3. Using innovation to drive the co-design and development of a range of delivery models in collaboration with colleagues, partners, service users and local communities.
4. Putting effective arrangements in place to co-produce all aspects of commissioning work, generating social value and achieving outcomes with citizens, Councillors, businesses and relevant stakeholders.
5. Responsibility for collating and interpreting data and evidence, working with colleagues across public health and children's commissioning, ensuring critical appraisal of evidence, analysis and needs assessment with cost/benefit or return on investment analysis. Using this intelligence to facilitate the definition and prioritisation of outcomes with Councillors and citizens
6. Drive the co-design and development of a range of service delivery options in collaboration with citizens and partners for the achievement of outcomes. Manage the process of co-production to generate solutions to cross-cutting and complex policy challenges.
7. Lead on the development and implementation of relevant public health policies, commissioning strategies and service plans; ensuring that they are delivered within agreed timescales.

8. To undertake cost benefit analyses and develop evidence based options appraisals to determine appropriate delivery service delivery models to meet identified needs and deliver value for money.
9. To research and identify potential funding sources to support the delivery of children's requirements, such as for example grant funding.
10. To support the development and submission of funding proposals with the aim of maximising income to the council.
11. Facilitate market shaping / capacity building that provides a varied pool of potential service providers and other projects relevant to delivering community outcomes.
12. Co-design service specifications and proactively manage contracts/client relationships to ensure that services are of a high quality and meet the needs of our diverse communities.
13. Establish effective and transparent contract monitoring and evaluation of specialist children's services to ensure commissioned services are achieving outcomes in support of the council's strategic objectives and to improve the health of children
14. To facilitate and lead when required multi-disciplinary project teams of Council staff and other key stakeholders to develop and / or deliver key children's services projects and programmes.
15. Share best practice and use evidence and data to drive change to secure improvements in services and service provision
16. Feed into the establishment of clear and robust finance systems to enable tracking of budgets, forecasting of spend, and practical resource allocation
17. Ensure annual efficiency savings are delivered through careful analysis, benchmarking and best use of resources whilst maximising public health outcomes and reducing inequalities in young children. Ensure that commissioning / procurement activities deliver social or added value.
18. Ensuring completion of relevant Gateway, business cases and commissioning reports adhere to the Council's governance processes including the involvement and sign off by the relevant Cabinet Member(s) to ensure the chosen delivery vehicle is procured and implemented in accordance with the Council's Standing Orders, Financial Regulations, relevant procurement policies and procedures
19. Identify risks that may threaten the implementation of commissioning intentions/plans and address or escalate them appropriately.
20. Ensure that equalities issues are identified and mitigated throughout commissioning processes through the use of the equalities impact assessment and other relevant processes.

Partnerships and collaboration

21. Ensure the involvement of relevant key stakeholders to oversee project development for any proposed service or system change.

22. Ensure that Ward Councillors are appropriately involved in the commissioning process of children's services / interventions ensuring that local issues and residents views are taken into account.
23. Work in collaboration with other public, voluntary and community sector partners to integrate commissioning or delivery to achieve better outcomes
24. Work with commissioning and public health colleagues, engage in local, regional and national networks and provider improvement activities that contribute to developing knowledge, improving outcomes and influencing and shaping the market of provision.
25. Ensure appropriate governance is in place for any commissioning work packages

General Tasks & Responsibilities

26. The post holder will liaise with auditors and other inspectors approved by the Council in any investigations pertaining to the work of the team and the records held.
27. To ensure that you carry out the duties of the post in accordance with the Health and Safety at Work Act 1974, the Data Protection Acts 1984 and 1998 the Federation Against Software Theft Guidelines, Corporate IT standards, The Computer Misuse Act 1990, The Council's equal opportunities policies, The Council's security policy, the Freedom of Information Act 2000 and other relevant legislation, as well as Council policies, procedures, Standing Orders and Financial Regulations.
28. To take responsibility, relevant to the post, for ensuring that Council statutes and government legislation is upheld. This includes, amongst others; Management Compliance Charter, Environment Policy, Single Equalities Scheme, Quality Assurance Plan, Sustainable Procurement and Recycling.
29. To work towards creating a culture within the Council that is dedicated to the principles and behaviours of the Cooperative Council, Best Value and Lambeth's values, in order to meet the needs of the customers and other stakeholders.
30. To attend all relevant meetings as required
31. To undertake any special assignments or projects in a planned and professional manner ensuring that any work undertaken is completed within stipulated timeframes and given budget with the desired outcomes.
32. To maintain an awareness of the risks to the cluster and the Council and taking necessary action to minimise risks.
33. To manage commissioning staff or other relevant posts as appropriate
34. To deputise, as required, for the Lead Commissioner and other colleagues.
35. To undertake any other duties that may be required to meet the demands of the service. These may be varied from time to time to meet the needs of the service.
36. To manage a diverse and heavy workload in an environment of constantly shifting priorities, including complex legislative changes and operational demands.

37. To take full responsibility for the development and implementation of own Personal Development Plan, and own continued professional development in those areas relevant to own role.
38. At all times, carry out the duties of this post with due regard to the Council Equal Opportunities Policy, Email Policy, Managers Charter, Valuing Diversity, and ensure its implementation.
39. The post holder will be required to work flexibly according to the needs of the service; this will always be discussed with the line manager in the first instance.
