

Proposed Estate Parking Controls Tindal/Lothian Estate (TLE)

Statutory Consultation

20 May 2022 – 10 June 2022

Dear Resident

We would like to hear your views on the introduction of additional parking controls at Tindal/Lothian Street Estate (TLE).

We will be introducing parking controls to the entrance ramps and underground garage area.

Your estate is in an area where parking is now in high demand, which has led to nuisance parking by people who do not live on the estate. Having additional parking controls means the estate will be patrolled regularly by our enforcement officers.

Illegally parked vehicles are liable to receive a Penalty Charge Notice (parking ticket) or removed.

The council has limited ability to manage nuisance parking without introducing Parking Controls. The purpose of this Statutory consultation is to add additional areas to the existing Traffic Management Order (TMO) which gives us the legal powers to manage parking on our estates.

Where can I see exactly what is being proposed in my area?

To view detailed maps showing how the proposals may affect you please visit the council website at www.lambeth.gov.uk/hepp3.

However, if you're not able to get online, you can request a paper version of the plan showing the proposals in your road/area, including a copy of our frequently asked questions (FAQs) by calling 020 79266799.

How can I give my views?

A Notice of the Council's intentions to introduce these measures will be published in a local newspaper (South London Press), the London Gazette and posted on lamp columns in the area.

Representations for and against the proposals described in this Notice must be made in writing to: **Estate Parking, Housing Services, P.O. Box 734, Winchester, S023 5DG** or by email to estateparkingconsultations@lambeth.gov.uk quoting reference **TLE PARKING** by no later than 10 June 2022.

If you have any enquiries, please telephone Lambeth Council's Estate Parking Team on 020 7926 6799 or email the above address.

Objections must relate only to the elements of the scheme that are subject to this statutory consultation. All representations along with Officers' comments and recommendations will be presented in a final report to be considered by the Council. This report will set out whether the Council will introduce parking amendments across the Borough, and if so, which roads will be subject to such proposals. The Council is required to give weight to the nature and content of your representations and not necessarily the quantity. Your reasons are therefore important to us.

A copy of each of the Orders and other documents giving detailed particulars about them (including maps) are available for inspection online at www.lambeth.gov.uk/traffic-management-orders and by appointment at the offices of Lambeth Council's Parking and Enforcement Group (Resident Services), 3rd Floor, Civic Centre, 6 Brixton Hill, London SW2 1EG, between 9.30am and 4.30pm on Mondays to Fridays inclusive (except on bank/public holidays). To arrange inspection please telephone 020 7926 0209 or email: Trafficorders@lambeth.gov.uk.

What happens next?

The results of the consultation along with officers' recommendations will be presented in a report to Cabinet Members for Housing. Once a decision is made you will be informed accordingly.
